**Registration and housing open soon.
Come together to experience the
distinctiveness of osteopathic education!**

I am delighted to meet in person in Nashville, Tennessee, at the Music City Center this September 25 through 28.

The Osteopathic Medical Education Conference (OMED) is the American Osteopathic Association's (AOA) premier educational event. Presented annually, it is a conference that showcases osteopathic medicine across multiple specialties and is planned in conjunction with AOA specialty college affiliates. It brings together the osteopathic community and provides an opportunity for attendees to obtain high-quality education, discuss clinical science, and network with one another. In addition, this unique event affords the AOA the opportunity to continue to strengthen its relationship and partnership with osteopathic affiliated organizations, including colleges of osteopathic medicine.

Step into the spotlight with OMED, the only national osteopathic conference that underscores the crucial role of osteopathic physicians. By attending in person, you'll immerse yourself in an enriching environment that fosters fellowship and camaraderie. Dive into a broad spectrum of educational tracks and social networking events tailored to meet your professional needs. Regardless of whether you're a seasoned professional, an up-and-coming physician, or an ambitious osteopathic student or resident, OMED is your platform to shine and grow. Join us at OMED for an unmatched experience that will redefine your professional journey!

The OMED 2025 conference program is your one-stop resource for everything you need – from viewing the conference schedule to gathering details about registration and hotel accommodations. But that's not all! Keep yourself updated with the latest additions to the specialty track sessions and activities by checking back frequently. We're constantly enriching our program to ensure an engaging, diverse, and dynamic experience.

By attending in person, you'll receive exclusive access to the OMED 2025 virtual platform from the afternoon of September 28 right through to December 31. The OMED 2025 virtual platform will have all in-person content in addition to bonus virtual sessions from seven additional specialties.

On behalf of the entire Council of OMED, we look forward to welcoming you to Nashville, Tennessee!

A handwritten signature in black ink that reads "Peter B. Ajluni, DO". The signature is written in a cursive style.

Peter Ajluni, DO
Chair, Council of OMED

**Nashville, Tennessee
Welcomes You!**

The registration fees are listed below. Attending in-person provides access to the virtual platform for post-event viewing and continuing education.

***AOA Members Exclusive Pricing Promotion!** Register AND Reserve a Hotel Room June through July 31 at the special promotional price of only \$675! Added Bonus: The first 500 AOA members who take advantage of this exclusive promotion will receive two \$15 food vouchers to utilize at the convention center.

Category	Rates
AOA Member (AOA)	\$975*
AOA Non-Member (NM)	\$1,175
Associate Members/Practice Managers (ASM)	\$326
Non-DOs (MDs, PhDs) (NDO)	\$1,175
Retired AOA Members (RET)	\$300
Military	\$625
Allied Health Professionals (RNs, NPs, PAs, etc.)	\$1,175
Advocates of the American Osteopathic Association	\$150
Affiliate Executive Directors/CEOs	\$0
Residents (R)	\$75
Students (S)	\$50
Pre-Medical Students	\$50
Guests/children 13 and over	\$150
Children 12 and under	\$0

The official housing provider for the AOA OMED conference is Maritz. The AOA OMED conference does not have influence over or responsibility for any reservations made through a housing company or group other than the AOA OMED conference official housing partner, Maritz. In recent years, several attendees have informed the AOA OMED conference of housing solicitations (often fraudulent) from groups with no affiliation with the AOA OMED conference. It is encouraged to book hotel reservations through the AOA OMED conference provider, Maritz, and avoid providing information to any other company, even if they claim to be affiliated with the event.

The following hotels are the official AOA OMED conference hotels.

Hotel Name	Room Rate
OMNI Nashville (headquarters)	\$355+ tax
Westin Nashville	\$309+ tax
Renaissance Nashville	\$279+ tax
Home2Suites Nashville Downtown Convention Center	\$265+ tax
Tru Nashville Downtown Convention Center	\$265+ tax

Advantages of Booking within the AOA OMED Conference Hotel Room Block:

- **Location** — All hotels are within walking distance of the convention center.
- **Deep discounts** — The AOA Group Rate provides the best pricing during the OMED conference.
- **Best rate package** — The OMED rates remain the lowest.
- **Hotel reward points** — Add your hotel rewards to your reservation to earn loyalty points and enhance your hotel stay.
- **Support the industry** — Booking within the OMED hotel room block allows the AOA to provide a convention experience at a lower price point.

Hotel reservations can be made online through Maritz when completing your in-person registration. Housing opens soon.

»» Continuing Medical Education (CME) Information

OMED25 is supported by independent educational grants from commercial interests. Complete information will be provided to participants prior to the activity. Conflict of Interest Disclosures for individuals in control of content will also be provided prior to the start of the activity.

Overall Education Objectives

- Highlight the evidence on new, revised, and standard treatment approaches for a variety of medical conditions as they relate to physicians
- Review revisions in clinical practice guidelines and evaluate clinical practice implications
- Describe updates in clinical decision tools for screening and differential diagnoses of diseases

Designation

The American Osteopathic Association (AOA) designates this program for a maximum of 40 AOA Category 1-A Credits* and 20 AOA Category 1-B Credits and will report CME credits commensurate with the physician's participation in this program. The AOA designates this blended activity for *60 AMA PRA Category 1 Credits™*.* Physicians should only claim the credit commensurate with the extent of their participation in the activity.

*In-person attendees are eligible for a maximum of 60 AOA Category 1 Credits (40 1-A, 20 1-B) or 60 AMA PRA Category 1 Credits™.

Claim 2 AOA Category 2-B Credits by Viewing ePosters

Participants may claim up to two (2) AOA Category 2-B Credits by viewing ePosters at the link that will be provided closer to OMED. To claim this credit and receive a certificate, the participant must complete and submit a separate attestation form to gdillard@osteopathic.org. The AOA will email a certificate that includes the number of AOA Category 2-B Credits earned once the attestation form is received and the hours are verified.

The American Osteopathic Association (AOA) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

CME/Certificate of Attendance

To claim your CME certificate or your certificate of attendance, you will need to complete an evaluation and CME credit hour attestation by January 31, 2026.

Disclaimer

The information in this educational activity is provided for general medical education purposes only and is not meant to substitute for the independent medical judgment of a physician relative to diagnostic and treatment options of a specific patient's medical condition. The viewpoints expressed in this CME activity are those of the authors/faculty. They do not represent endorsement by the AOA. In no event will the AOA be liable for any decision made or action taken in reliance upon the information provided through this CME activity.

»» OMED25 Specialty College Participation

OMED[®]25
Osteopathic Medical Education Conference

The following specialties are participating in person with all content, including additional bonus content, available virtually beginning Sunday, September 28.

Addiction Medicine

The **American Osteopathic Academy of Addiction Medicine (AOAAM)** educational sessions will inform practicing osteopathic physicians about improving clinicians' ability to treat substance use disorders in specialized health populations such as adolescents, pregnant women, healthcare professionals, and palliative care populations. There will be a particular focus on addiction in the rural population and consideration of how to increase access to care through novel care-delivery models such as mobile treatments and group-based virtual MOUD delivery as well as training resident physicians to practice addiction medicine in the rural context. In addition, special topics related to current practice will include navigating challenges related to the dramatic rise of methamphetamine, fentanyl, cannabis, designer drugs, and gambling in our populations.

Allergy and Immunology

The **American Osteopathic College of Allergy and Immunology (AOCAI)** will present lectures covering topics on gene therapy, asthma, allergic rhinitis, and current recommendations on vaccinations. These presentations will explore the present use and future use of therapeutic options for genetic intervention; the mechanism of pesticide exposure that may trigger asthma attacks, exacerbate asthma, or increase the risk of developing asthma; the importance of the interaction of early exposure to microbes and the induction of immune tolerance; the different endotypes of rhinitis; and updates on the current recommendations of the Advisory Committee on Vaccination Practices (ACIP) and the Center for Disease Control (CDC).

Dermatology

The **American Osteopathic College of Dermatology (AOCD)** is proud to provide educational courses to the virtual OMED 2025 platform. All AOCD CME activities are planned by a committee comprised of AOA Board Certified Osteopathic Dermatologists. The AOCD will provide a diversified CME program focusing on the art and science of Dermatology. Information will be presented through lectures. Join the AOCD sessions and update your knowledge on topics ranging from dermatology history, body contouring, cosmetic dermatology, updates in pediatric dermatology, atopic dermatitis update, Native American Dermatology, and other interesting topics. As a result of attending these activities, physicians will gain knowledge in helping patients to change their behavior to assist them in their treatment.

Emergency Medicine

The **American College of Osteopathic Emergency Physicians (ACOEP)** will cover emergency medicine in various settings, including the family medicine office, urgent care, and emergency departments. The information presented, developed by ACOEP, will be valuable to physicians in both community and academic settings. Though comprehensive in scope, the lecture format will be abbreviated presentations by speakers of various related and complementary specialties.

[Return to Top](#)

Family Medicine

The **American College of Osteopathic Family Physicians (ACOFP)** offers a diverse range of educational sessions covering innovative topics in Family Medicine. As Family Medicine plays a crucial role in healthcare, ACOFP ensures that its members are equipped with the latest knowledge and skills in the field. In collaboration with sister societies, ACOFP also provides interdisciplinary education, allowing healthcare professionals to learn from and collaborate with colleagues from different disciplines. With a focus on comprehensive and holistic healthcare, ACOFP is dedicated to advancing the practice of Family Medicine and promoting excellence in patient care.

Military

The **Association of Military Osteopathic Physicians and Surgeons (AMOPS)** has developed sessions that will introduce attendees to Military Medicine: on Land, Sea, and Air, as well as Military Medicine: Front Lines to Civilian Trauma Centers! Sessions include aerospace medicine, medical support to the warfighter, integrating military medicine in the civilian world, burn care, TBI, FAST exams, and a demonstration of Osteopathic Manipulative Medicine's (OMM) use on the battlefield, shipboard, and flightlines. Both military physicians and civilian physicians will benefit from these sessions.

Neurology/Psychiatry

The **American College of Osteopathic Neurologists and Psychiatrists (ACONP)** educational sessions will cover a range of topics in the field such as headaches in pregnancy, happiness and resilience, cannabis use in psychiatric care, myasthenia gravis update, post-traumatic stress disorder, Prevent 2 Protect, Safe and Sound Schools, and much more.

Occupational and Preventive Medicine

The **American Osteopathic College of Occupational and Preventive Medicine (AOCOPM)** will address current occupational, environmental, and preventive medicine topics. Topics will be divided into three divisions: public health and general preventive medicine, occupational medicine, and aerospace medicine. Focus areas within these divisions include correctional medicine, undersea hyperbaric medicine, and disability impairment medicine.

Osteopathy

The **American Academy of Osteopathy (AAO)** will showcase distinguished faculty discussing the concepts of motion and stillness in osteopathic medicine. This will include special emphasis on lymphatics, gait issues, hypermobility, tremor, spasticity, concussion, and OMT on the sidelines. This engaging program will provide attendees with comprehensive and state-of-the-art information about how physicians can diagnose and treat these and other conditions in a comprehensive manner including utilization of a wide variety of OMT approaches.

Pediatrics

The **American College of Osteopathic Pediatricians (ACOP)** plans to address current topics related to the care of children, including sessions on neonatal/perinatal medicine, adolescent medicine, pediatric infectious disease, immigrant health, pediatric hot topics, practical pediatrics, orthopedics, and OMM/OMT. In addition to the clinical topics, ACOP is also organizing a session to discuss the decline in students entering pediatric residencies and how to address the shortage.

Physical Medicine and Rehabilitation

The **American Osteopathic College of Physical Medicine and Rehabilitation (AOCPMR)** program will focus on optimizing physiatry and physical medicine and rehabilitation in today's healthcare environment. Educational session topics will include stroke care, anti-doping, tendinopathy, fMRI scans, TBI/concussion, an in-depth look at SIJ, and inpatient care, among other topics.

Prolotherapy Regenerative Medicine

The **American Osteopathic Association of Prolotherapy Regenerative Medicine (AOAPRM)** program starts with the basic skills required to perform a prolotherapy treatment. Platelet-rich plasma (PRP) is discussed as an advanced prolotherapy treatment for cases that are more complicated. The latest treatment modalities for the cervical, lumbar, and thoracic spine will be covered. Each day, the didactic sessions will conclude with practical clinical assessments.

Sports Medicine

The **American Osteopathic Academy of Sports Medicine (AOASM)** will present "Sports Medicine: A Pathway to Whole Body Wellness." The program includes sports medicine topics relevant to physicians in all specialties. We will provide an in-depth review of common musculoskeletal conditions including diagnostic evaluation, management, and return-to-play considerations across pediatric, adolescent, adult, geriatric, and disabled athlete populations. The program will also explore concepts of wellness and fostering health, in addition to interventional management and rehabilitation of injuries. All topics will highlight the osteopathic approach to evaluation and management. We will also look at opportunities to engage populations and institutions that are underserved by Sports Medicine professionals. For additional information, contact the AOASM National Office at info@aoasm.org, or visit the AOASM website at www.aoasm.org.

The following specialties are offering virtual content for OMED25 On Demand, which will be available beginning at 12 p.m. on Sunday, September 28: Anesthesiology, Hematology, Internal Medicine, Obstetrics/Gynecology, Orthopedics, Pathology, Radiology, and Surgery.

OMED25 On Demand is available September 28 through December 31. In-person attendees receive complimentary access to OMED25 On Demand.

Can't attend in person? Be sure to register for OMED25 On Demand to earn up to 50 hours of CME.

OMED25 AOA Poster Session and Student Poster Competition

The AOA Bureau of Osteopathic Research and Public Health holds its Research Poster Session and Student Poster Competition annually during OMED. The Research Poster Session allows investigators to disseminate their research to a broader osteopathic audience. After a competitive Call for Research Abstracts, abstracts are selected for presentation in a poster format. Students whose research projects are selected can elect to participate in the Student Poster Competition. During this competition, student researchers present their research projects to teams of judges in a live, virtual format. Cash prizes are awarded to the nine top-scoring presenters. Accepted abstracts are published in The Journal of Osteopathic Medicine.

The OMED Exhibition provides the opportunity to learn more about the latest products and trends.

Exhibit Hours:

Friday, September 26 – 9:30 a.m.-3 p.m.

Saturday, September 27 – 8 a.m.-2 p.m.

OMED is more than just a conference. It's a platform for connecting with like-minded professionals who share your passion for osteopathic medicine. Expand your network, forge meaningful connections, and collaborate with colleagues who are at the forefront of the field.

Whether you're a seasoned practitioner or a budding osteopathic physician, OMED is the event you don't want to miss. Join us for this unparalleled gathering of the osteopathic community, and experience the power of knowledge, collaboration, and innovation..

OMED Interactive Area

The OMED Interactive Area in the exhibit hall will provide a wide range of activities and community networking. Participants can unwind and engage in exciting activities while exploring the exhibit hall. Activities include: UIWSOM's Mobile Osteopathic Medicine vehicle, exercise, relaxation, cuddle station, and some local flair.

Innovation Hub

The AOIA Innovation Hub will provide information on Artificial Intelligence (AI) and more!

Member Central

Learn more about AOA member benefits. Stay tuned for more information on networking opportunities.

Product Theaters

Learn about a specific cutting-edge topic during the lunch hour (lunch provided). More information coming soon!

Food Outlets

Concession stands will be open in the exhibit hall.
