• Mentoring sessions with specialty affiliate residents and physicians  
• TED-style talks in OMED Central  
• Medical School Central  
• Charging Stations

JOURNEY MAP STUDENTS

braindate®

Share unique experiences, knowledge and stories with a braindate!

Braindates are one-on-one or group conversations that you book with other attendees while you’re at OMED.

It's simple:

1. Open Braindate from the main menu of the OMED event app.
2. Explore the topic market - where all participants (including you!) post the knowledge they are willing to share.
3. Pick something you want to learn or create your own topic.
4. Book your braindates and meet in person at the Braindate Lounge.
5. Find the Braindate check-in booth at the base of the escalators on the 200 level of the Convention Center.

Please note that listed sessions and events may be subject to change. Consult the OMED 2017 mobile app for the latest updates.
Dear Students,

Welcome to OMED! I look forward to learning, connecting and celebrating with you over the next few days. There is no other conference that unites DOs and medical students around a shared philosophy of patient-centered care. No matter your background, career stage or specialty interest, you belong here.

This Journey Map is designed to help you make the most of your time in Philadelphia. It includes a select mix of special events, networking opportunities and educational sessions curated especially for students like you.

I hope you’ll use this tool as a starting point to map out your conference experience. For a complete overview of every activity at OMED, download the OMED 2017 mobile app or log onto OMED.osteopathic.org. Let’s make this the best OMED yet!

Thanks for joining us,

Mark A. Baker, DO
AOA President

10 WAYS TO GET THE MOST OUT OF OMED 17

1. Browse the OMED Digital Program to plan your schedule.
2. Download the OMED 2017 mobile app.
3. Join the conversation on social media using the hashtag #OMED17.
4. Follow @AOAforDOs on Twitter.
5. Watch live video feeds on the DOs (Osteopathic Physicians) Facebook page.
6. Share a group picture using the OMED17 Snapchat filter.
7. Connect with new contacts on LinkedIn.
8. Get your questions answered at OMED Central.
9. Interact with Student Posters on large screens in the Exhibits/OMED Central.
10. Book a one-on-one or group Braindate to share knowledge with your colleagues at OMED.

EDUCATION

Gain meaningful insights and advance your knowledge through student programming focused on topics like medical school loan repayment, building your CV and health literacy.

INSPIRATION

Reenergize your passion for medicine and connect with like-minded DOs and students. You won’t want to miss our Saturday evening General Session featuring a keynote by Arianna Huffington and Sunday panel discussion on improving patient outcomes in your community.

INNOVATION

Bold ideas come to life at OMED. We’ve scheduled a lineup of leading health care innovators who will share key insights during TED-style talks Saturday, Sunday and Monday in OMED Central.

CONNECTION

Don’t miss out on all the action OMED has to offer. Participate in student mentoring sessions, schedule a peer-to-peer learning session using the Braindate app or mingle with the profession’s best and brightest at the Saturday Welcome Reception and Sunday Block Party.
